LMC Strategic Network – invitation to participate

At the LMC workshop, 7-8th January 2010, 6 networks were established within the focus areas of the LMC Strategy. The primary aim of the networks is to increase the multidisciplinary collaboration within LMC in order to increase funding for Danish food research.

- 1) **Consumer-Oriented Added Value in the Food Chain**
Chair: Professor Karen Brunso (MAPP, AU)
Secretary: Annette Andersen (LMC)
- 2) **Food Safety in a Global Perspective**
Chair: Head of division Bjarke Bak Christensen (DTU Food)
Secretary: Gitte Toftgaard Jørgensen (LMC)
- 3) **Personalised Nutrition and Health**
Chair: Professor Lars Dragsted (IHE, KU)
Secretary: Annette Erichsen (LMC)
- 4) **Sustainable and Ethical Food Production/ Modern Production Technology**
Chair: Professor Jens Adler-Nissen (DTU Food)
Secretary: Henriette Hansen (LMC)
- 5) **Biocatalysis and Synthetic Biology**
Chair: Associate professor Anna Lantz (DTU Systems Biology)
Secretary: Birthe Jessen (LMC)
- 6) **Molecular Functionality**
Chair: Associate professor René Lametsch (IFV, KU)
Secretary: Lisbeth Nannerup (LMC)

For further description of the individual networks, please refer to the [Strategy of LMC](#).

The networks are open to all relevant stakeholders – the primary ones being the researchers within LMC. Representatives from the industry are strongly encouraged to participate to enhance integration of knowledge between academy and industry.

In the very near future all 6 strategic networks will have their start-up meeting. The meetings will be announced in the activity calendar of LMC, i.e. keep a close eye on <http://lmc.dk/>.

LMC Strategic Network - Potential Tasks

Potential tasks are listed in the Terms of Reference of the networks. However, it is up to the members of the individual network to decide how they want to make a difference.

Examples of tasks:

- To prepare specific action plan based on the LMC Strategy
- To influence and initiate joint proposals
- To formulate and prioritize input for relevant actions
- To formulate input for mainlines and topics regarding EU-programmes
- To formulate input for Framework Programme 8 and Joint Programming
- To contribute to profiling
- To make rules of procedure for the network

Please contact the secretary of the respective network if you wish to participate
